OFFICE OF THE PRESIDENT

December 6, 1961

Mr. Aaron Etra, Chairman
Yale Broadcasting Company
242-A Yale Station
New Haven, Connecticut

Dear Mr. Etra:

It was good to receive your letter of November 30th in which you have cleared the date of Saturday, April 7th, 1962, as a candidate for the 1962 IBS National Convention. While I have received reasonably well-founded requests for other dates, let us proceed with April 7th as a very good "average," applying the premise that we "can't please all of the people all of the time."

I have just received masters for the December issue of the IBS NEWSLETTER, ~~however~~ it would appear that we will be able to make the January issue with a rather complete schedule of details.

I appreciate your suggestion that we meet to fix details, either in New Haven or in New York City. However, I find it hard to see an opportunity to make such a trip or to justify the expense. As an alternative, let me suggest a series of telephone calls. This might even be better as it will allow each of us to consider the implications of each point as we begin to get deeper into the details. I have made note of your telephone number, and shall shortly try to contact you at some hour during the day in order that we may begin to arrange matters.

Best regards,

Richard H. Crompton
President - Treasurer
